Independent Auditor's Report

To the Members of Godrej Township Development Limited (formerly known as Godrej Home Constructions Limited and Godrej Home Construction Private Limited)

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Godrej Township Development Limited (formerly known as Godrej Home Constructions Limited and Godrej Home Construction Private Limited) (the "Company") which comprise the balance sheet as at 31 March 2026, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Management's and Board of Directors Responsibilities for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2 A. As required by Section 143(3) of the Act, we report that:

a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except for the matter stated in the paragraph 2(B)(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 and that the back-up of one (1) accounting software which form part of the 'books of account and other relevant books and papers in electronic mode' have not been maintained on the servers physically located in India.

c. The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.

d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.

e. On the basis of the written representations received from the directors as on 31 March 2026 and 01 April 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.

f. the modification relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2(A)(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

g. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

a. The Company has disclosed the impact of pending litigations as at 31 March 2026 on its financial position in its financial statements - Refer Note 33(a) to the financial statements.

b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

d (i) The management has represented that, to the best of their knowledge and belief, as disclosed in the Note 40(A) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(ii) The management has represented that, to the best of their knowledge and belief, as disclosed in the Note 40(B) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.

e. The Company has neither declared nor paid any dividend during the year.

f. Based on our examination which included test checks, except for instances mentioned below, the Company has used accounting softwares for maintaining its books of accounts, which along with access management tool, as applicable, have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective softwares:

i. Audit trail was not enabled at the database level to log any direct data changes for accounting software used for maintaining general ledger from 14 November 2025 to 13 March 2026.

ii. In the absence of reporting on the audit trail feature in the independent auditor's report for a third party accounting software used for maintaining the books of accounts relating to revenue, trade receivables and other related accounts, we are unable to comment on whether the feature of recording audit trail (edit log) facility was enabled at the database level for the period from 1 April 2025 to 31 March 2026.

Further, where audit trail (edit log) facility was enabled and operated throughout the year for the accounting software, we did not come across any instance of the audit trail feature being tampered with. Additionally, where audit trail (edit log) facility was enabled and operated in the previous year, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

C. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the Company has not paid any remuneration to its directors during the year. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

Annexure A to the Independent Auditor's Report on the Financial Statements of Godrej Township Development Limited (formerly known as Godrej Home Constructions Limited and Godrej Home Construction Private Limited) for the year ended 31 March 2026

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

(i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(B) The Company has maintained proper records showing full particulars of intangible assets.

(i) (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified every year. In accordance with this programme, all property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No discrepancies were noticed on such verification.

(c) The Company does not have any immovable property (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee). Accordingly, clause 3(i)(c) of the Order is not applicable.

(d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment or intangible assets or both during the year.

(e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

(ii) (a) The inventory, has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned any working capital limits in excess of five crore rupees in aggregate from banks and financial institutions on the basis of security of current assets at any point of time of the year. Accordingly, clause 3(ii)(b) of the Order is not applicable to the Company.

(iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnership or any other parties during the year. The Company has made investments in other parties, in respect of which the requisite information is as below. The Company has not made any investments in Companies, firms and limited liability partnership. Accordingly, provisions of clauses 3(iii)(a), 3(iii)(c) to 3(iii)(f) of the order are not applicable to the Company.

(b) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion the investments made during the year are not prejudicial to the interest of the Company.

(iv) According to the information and explanations given to us and on the basis of our examination of records of the Company, the Company has neither made any investments nor has it given loans or provided guarantee or security and therefore the relevant provisions of Sections 185 and 186 of the Companies Act, 2013 ("the Act") are not applicable to the Company. Accordingly,

Annexure A to the Independent Auditor's Report on the Financial Statements of Godrej Township Development Limited (formerly known as Godrej Home Constructions Limited and Godrej Home Construction Private Limited) for the year ended 31 March 2026 *(Continued)*

clause 3(iv) of the Order is not applicable.

(v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.

(vi) We have broadly reviewed the books of accounts maintained by the Company pursuant to the rules prescribed by the Central Government for maintenance of cost records under Section 148(1) of the Act in respect of its goods and services provided by it and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not carried out a detailed examination of the records with a view to determine whether these are accurate or complete.

(vii) (a) The Company does not have liability in respect of Service tax, Duty of excise, Sales tax and Value added tax during the year since effective 1 July 2017, these statutory dues has been subsumed into GST.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion, the undisputed statutory dues including Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Customs or Cess or other statutory dues have generally been regularly deposited by the Company with the appropriate authorities.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of Goods and Services Tax and Income-Tax were in arrears as at 31 March 2026 for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, statutory dues relating to Income-Tax which have not been deposited on account of any dispute are as follows:

Name of the statute	Nature of the dues	Amount Demanded (Rs. in Lakhs)	Amount Paid (Rs. in Lakhs)	Period to which the amount relates	Forum where dispute is pending
Income Tax Act, 1961	Income Tax	498.80	-	FY 2021-22	Income Tax Appellate Tribunal, Mumbai

(viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.

(ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company did not have any loans or borrowings from any lender during the year. Accordingly, clause 3(ix)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.

Annexure A to the Independent Auditor's Report on the Financial Statements of Godrej Township Development Limited (formerly known as Godrej Home Constructions Limited and Godrej Home Construction Private Limited) for the year ended 31 March 2026 *(Continued)*

(c) In our opinion and according to the information and explanations given to us by the management, the Company has not obtained any term loans. Accordingly, clause 3(ix)(c) of the Order is not applicable.

(d) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.

(e) The Company does not hold any investment in any subsidiaries, associates or joint ventures (as defined under the Act) during the year ended 31 March 2026. Accordingly, clause 3(ix)(e) is not applicable.

(f) The Company does not hold any investment in any subsidiaries, associates or joint ventures (as defined under the Act) during the year ended 31 March 2026. Accordingly, clause 3(ix)(f) is not applicable.

(x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.

(xi) (a) During the course of our examination of the books and records of the Company and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the year.

(b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.

(c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.

(xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.

(xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Section 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.

(xiv) (a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.

(b) We have considered the internal audit reports of the Company issued till date for the period under audit.

(xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.

(xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.

(b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.

Annexure A to the Independent Auditor's Report on the Financial Statements of Godrej Township Development Limited (formerly known as Godrej Home Constructions Limited and Godrej Home Construction Private Limited) for the year ended 31 March 2026 *(Continued)*

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.

(d) According to the information and explanations provided to us, the Group (as defined in the regulations made by the Reserve Bank of India) has more than one CIC as part of the Group. The Group has three CICs as part of the Group

(xvii) The Company has not incurred cash losses in the current and in the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

Annexure B to the Independent Auditor's Report on the financial statements of Godrej Township Development Limited (formerly known as Godrej Home Constructions Limited and Godrej Home Construction Private Limited) for the year ended 31 March 2026

Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

(Referred to in paragraph 2(A)(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Godrej Township Development Limited (formerly known as Godrej Home Constructions Limited and Godrej Home Construction Private Limited) ("the Company") as of 31 March 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Annexure B to the Independent Auditor's Report on the financial statements of Godrej Township Development Limited (formerly known as Godrej Home Constructions Limited and Godrej Home Construction Private Limited) for the year ended 31 March 2026 *(Continued)*

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Note 1

I. Company Overview

Godrej Township Development Limited ("The Company") having CIN number U70102MH2015PLC263486 is engaged primarily in the business of real estate construction, development and other related activities. The Company is domiciled in India having its registered office at Godrej One, 5th Floor, Pirojshahnagar, Eastern Express Highway, Vikhroli, Mumbai - 400079.

The members of the Company have at the Extraordinary General Meeting held on March 1st, 2024, passed a special resolution to change the name from Godrej Home Construction Limited (GHCL) to Godrej Township Development Ltd pursuant to Section 13 of the Companies Act, 2013. Pursuant thereto and based on the fresh certificate of incorporation dated May 27, 2024 issued by the Ministry of Corporate Affairs as per Section 13(3) of the Companies Act, 2013, the name of the Company has been changed from 'Godrej Home Construction Limited' to 'Godrej Township Development Limited'.

II. Basis of preparation and measurement

a) Statement of Compliance

These financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 ("the Act") and the relevant provisions and amendments, as applicable.

These financial statements of the Company for the year ended March 31,2026 were approved and authorised for issue by the Company's Board of Directors on May 01 ,2026.

b) Going Concern

The Company has been incorporated to develop a residential project on land admeasuring area 18 Acres 18 guntas located at mallasandra village, Uttarahalli Hobli, Bangalore south taluk, Bangalore. Based on the future business plans for the Company, the management believes that the Company will continue to operate as a going concern for the foreseeable future, realise its assets and meet all its liabilities as they fall due for payment, in the normal course of business.

c) Functional and Presentation Currency

These financial statements are presented in Indian rupees, which is also the functional currency of the Company. All financial information presented in Indian rupees has been rounded to the nearest lakh upto two decimal, unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and the percentage may not reflect the absolute figures.

d) Basis of measurement

These financial statements have been prepared on historical cost basis except certain financial instruments measured at fair value.

II. Basis of preparation and measurement(continued)

e) Use of Estimates and Judgements

The preparation of the financial statements in conformity with Ind AS requires the use of estimates, judgements and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. Management believes that the estimates made in the preparation of the financial statements are prudent and reasonable. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are as follows:

- *Evaluation of satisfaction of performance obligation for the purpose of revenue recognition*

  Determination of revenue under the satisfaction of performance obligation necessarily involves making estimates, some of which are of a technical nature, concerning, where relevant, the timing of satisfaction of performance obligation, costs to completion, from the project or activity and the foreseeable losses to completion. Estimates of project income, as well as project costs, are reviewed periodically. The effect of changes, if any, to estimates is recognized in the financial statements for the period in which such changes are determined.

- *Recognition of deferred tax asset*

  The deferred tax assets in respect of brought forward business losses is recognised based on reasonable certainty of the projected profitability, determined on the basis of approved business plans, to the extent that sufficient taxable income will be available to absorb the brought forward business losses.

- *Evaluation of Net realisable Value of Inventories*

  Inventories comprising of finished goods and construction-work-in progress are valued at lower of cost and net realisable value. Net Realisable value is based upon the estimates of the management. The effect of changes, if any, to the estimates is recognised in the financial statements for the period in which such changes are determined.

- *Useful life and residual value of property, plant and equipment, intangible assets*

  Useful lives of property, plant and equipment and intangible assets are based on the life prescribed in Schedule II of the act. In cases, where the useful lives are different from that prescribed in Schedule II, they are based on internal technical evaluation.

  Assumptions are also made, when the Company assesses, whether an asset may be capitalized and which components of the cost of the asset may be capitalized.

- *Recognition and measurement of defined benefit obligations*

  The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation and attrition rate. The discount rate is determined by reference to market yields at the end of the reporting period on government securities. The period to maturity of the underlying securities correspond to the probable maturity of the post-employment benefit obligations.

- *Recognition and measurement of long term incentive*

  Accrual for long term incentive scheme liability requires estimates and judgements respect of achievement of parameters of individual and business performance as well as market related parameters. These estimates are based on past performance approved budgets and plans of market indicators based on best estimate as at the reporting date.

II. Basis of preparation and measurement(continued)

e) Use of Estimates and Judgements(continued)

- *Fair value measurement of financial instruments*
  When the fair values of the financial assets and liabilities recorded in the balance sheet cannot be measured based on the quoted market prices in active markets, their fair value is measured using valuation technique. The inputs to these models are taken from the observable market where possible, but where this is not feasible, a review of judgement is required in establishing fair values. Any changes in the aforesaid assumptions will affect the fair value of financial instruments.

- *Expected Credit losses (ECL) and Impairment losses on investment*
  The measurement of expected credit loss allowance on trade receivables and the assessment of impairment of investments involve significant management judgement and estimation uncertainty. In determining the ECL allowance, management considers historical loss experience, customer credit risk profiles, ageing of receivables, and reasonable and supportable forward-looking information, including macro-economic factors.

- *Provisions and contingencies*
  The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the balance sheet date. The actual outflow of resources at a future date may therefore vary from the amount included in other provisions.

f) Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values for financial and non-financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments.

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data.

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

g) Operating cycle

The normal operating cycle in respect of operation relating to under construction real estate project depends on signing of agreement, size of the project, phasing of the project, type of development, project complexities, approvals needed and realisation of project into cash and cash equivalents and range from 3 to 7 years. Accordingly, project related assets and liabilities have been classified into current and non-current based on operating cycle of respective projects. All other assets and liabilities have been classified into current and non-current based on a period of twelve months.

II. Basis of preparation and measurement(continued)

h) Recent pronouncements

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, MCA notified the following amendments to:

- Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 1, 2025 – The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.

- Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments: Disclosures, applicable w.e.f. April 1, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its financial statements.

- Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately - The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its financial statements.

Standard/amendment issued but not yet effective

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year, the MCA has issued an amendment for removal of carve-out under Ind AS 1, Presentation of financial statements relating to classification of liabilities subject to covenants breach which is applicable with effect from 01 April 2026. The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its financial statements.

III. Material Accounting Policies

a) Property, plant and equipment and depreciation and Amortisation

i) Recognition and Measurement:

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. The cost of an item of property, plant and equipment comprises:

- its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates; and

III. Material Accounting Policies (Continued)

a) Property, plant and equipment and depreciation (Continued)

- any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

  If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Property, plant and equipment are derecognised from the Financial Statements, either on disposal or when no economic benefits are expected from its use or disposal. The gain or loss arising from disposal of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment recognized in the statement of profit and loss in the year of occurrence.

Advances paid to acquire property, plant and equipment before the balance sheet date are disclosed under other non-current assets.

ii) Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company and the cost of the expenditure can be measured reliably.

iii) Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.
Depreciation on property, plant and equipment of the company real estate segment has been provided using the written down value method and straight line method respectively based on the useful lives specified in Schedule II to the Companies Act, 2013 and below are useful life of assets:

Assets	Useful life in years
Office equipment	5
Site equipment	5
Furniture and fixtures	10
Computer	3
Electrical installations & equipments	5

Depreciation method, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate. Based on technical evaluation, management believes that its estimate of useful lives as given above best represents the period over which management expects to use these assets.
Intangible assets and amortisation

iv) Recognition and measurement:

Items of Intangible Assets are measured at cost less accumulated amortisation and impairment losses, if any. The cost of intangible assets comprises:

Cost is the amount of cash & cash equivalent paid or fair value of other consideration given to acquire an asset.

v) Subsequent expenditure

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

vi) Amortisation

Intangible assets are amortised over their estimated useful life using straight line method.

Intangible assets are amortised over a period of six years.
Amortisation method and useful lives are reviewed at the end of each financial year and adjusted if appropriate.

III. Material Accounting Policies (Continued)

b) Impairment of non-financial assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceed the estimated recoverable amount, an impairment loss is recognised for such excess amount. The impairment loss is recognised as an expense in the statement of profit and loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a decrease to the extent a revaluation reserve is available for that asset.

The recoverable amount is the greater of the net selling price and the value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods which no longer exists or may have decreased, such reversal of impairment loss is recognised in the statement of profit and loss, to the extent the amount was previously charged to the statement of profit and loss. In case of revalued assets, such reversal is not recognised.

c) Financial instruments

i) ***Financial assets***

Classification

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

Trade receivables and debt securities issued are initially recognised when they originate and recorded at transaction price.

The company recognises financial assets (other than trade receivables and debt securities) when it becomes a party to the contractual provisions of the instrument. All financial assets (excluding trade receivables that are recorded at transaction price) are recognized initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Subsequent measurement

For the purpose of subsequent measurement, the financial assets are classified in three categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through profit or loss
- Equity investment.

Debt instruments at amortised cost

A 'Debt instruments' is measured at the amortised cost if both the following conditions are met:

a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

b) Contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss.

IV. Material Accounting Policies (Continued)

i) Financial assets (Continued)

Debt instruments at Fair Value through Profit or Loss

Debt instruments that are convertible into a fixed number of equity instruments of the issuer do not meet the "solely payment of principal and interest" criterion because the return on the debt instrument is inconsistent with a basic lending arrangement and reflects the value of the issuer's equity. The Company classifies such debt instruments at fair value through profit or loss.

Debt instruments included within the fair value through profit or loss (FVTPL) category are measured at fair value with all changes recognised in the statement of profit and loss. Net gains and losses, including any interest or dividend income, if any, are recognised in profit or loss.

Net gains and losses, including any interest or dividend income, if any, are recognised in profit or loss.

Equity investments

All equity investments other than investment in subsidiaries, joint ventures and associate are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at fair value through other comprehensive income (FVTOCI) or FVTPL. The Company makes such election on an instrument-by- instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in other comprehensive income (OCI). There is no recycling of the amounts from OCI to the statement of profit and loss, even on sale of such investments.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset) is primarily derecognised when:

(a) The rights to receive cash flows from the asset have expired, or

(b) The Company has transferred substantially all the risks and rewards of the asset, or

(c) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

The Company applies the simplified approach for measurement of expected credit losses on trade receivables and contract assets, whereby lifetime expected credit losses are recognised from initial recognition.

For other financial assets measured at amortised cost, including loans, debt securities, deposits and bank balances, the Company applies the general approach and recognises 12-month expected credit losses, unless there has been a significant increase in credit risk since initial recognition, in which case lifetime expected credit losses are recognised.

III. Material Accounting Policies *(Continued)*

ii) Financial Liabilities

Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost.

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the statement of profit and loss when the liabilities are derecognised.

Amortised cost is calculated by taking into account any discount or premium on acquisition and transactions costs. The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to loans and borrowings.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

iii) *Offsetting of financial instruments*

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

iv). *Share Capital*

Ordinary equity shares

Incremental costs directly attributable to the issue of ordinary equity shares, are recognised as a deduction from equity.

e) Inventories

Inventories are valued as under:

Inventories are measured at lower of cost or net realisable value. The cost of inventory is based on specific Identification method and includes cost of purchase, conversion costs and other costs incurred in bringing them to their present location or condition.

Construction work-in-progress / Finished Goods includes cost of land, premium for development rights, construction costs, allocated interest and expenses incidental to the projects undertaken by the Company.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

III. Material Accounting Policies *(Continued)*

f) Revenue Recognition

Sale of Real Estate Developments

The Company derives revenues primarily from the sale of residential and commercial units, sale of plotted and other lands, and development and project management services. Revenue is recognised upon satisfaction of performance obligations identified in contracts with customers, either over time or at a point in time, in accordance with Ind AS 115 – Revenue from Contracts with Customers. Revenue is measured at the transaction price, being the consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to customers.

Sale of residential and commercial units / sale of plotted and other lands: Revenue from sale of residential and commercial units is recognised over time, as the performance obligations are satisfied over time and the Company has an enforceable right to payment for performance completed to date, which commences from the date on which the agreement becomes non-cancellable. Progress towards satisfaction of the performance obligation is measured based on the stage of construction, determined using an appropriate input method.

In arrangements for sale of units the Company applied the guidance in IND AS 115, on

"Revenue from contract with customer", by applying the revenue recognition criteria for each distinct performance obligation. The arrangements with customers generally meet the criteria for considering sale of units as distinct performance obligations. For allocating the transaction price, the Company has measured the revenue in respect of each performance obligation of a contract at its relative standalone selling price. The price that is regularly charged for an item when sold separately is the best evidence of its standalone selling price. The transaction price is also adjusted for the effects of the time value of money if the contract includes a significant financing component. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct product or service from the customer.

The Company receives maintenance amount from the customers and utilises the same towards the maintenance of the respective projects. Revenue is recognised to the extent of maintenance expenses incurred by the Company towards maintenance of respective projects. The balance amount of maintenance expenses to be incurred is reflected as liability under the head other current non-financial liabilities.

Contract assets are recognised when the Company has transferred goods or services to a customer but does not yet have an unconditional right to consideration. Contract assets are classified as unbilled receivables when the right to consideration is unconditional and only the passage of time is required before payment becomes due.

Contract liabilities represent the Company's obligation to transfer goods or services to a customer for which consideration has been received in advance or is due from the customer.

g) Interest income

Interest income is accounted on an accrual basis at effective interest rate. Interest on delayed payment and forfeiture income are accounted based upon underlying agreements with customers.

h) Income tax

Income tax expense comprises current tax and deferred tax. It is recognised in the statement of profit and loss except to the extent that it relates to items recognised directly in equity or in OCI.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date.

III. Material Accounting Policies *(Continued)*

h) Income tax (Continued)

Current tax assets and liabilities are offset only if, the Company:

a) Has a legally enforceable right to set off the recognised amounts; and

b) Intends either to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax:

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent there is convincing evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves. Deferred tax liabilities are reognised for taxable temporary differences.

Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if:

a) The Company has a legally enforceable right to set off current tax assets against current tax liabilities; and

b) The deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

i) Employee benefits

Short term employee benefits

Short-term employee benefits are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Defined contribution plans

Obligations for contributions to defined contribution plans such as Provident Fund and Employee State Insurance Corporations are expensed as the related service is provided.

Defined benefit plans

The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, after discounting the same.

The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method.

III. Material Accounting Policies *(Continued)*

i) Employee benefits (Continued)

Re-measurement of the net defined benefit liability, which comprise actuarial gains and losses are recognized immediately in other comprehensive income (OCI). Re-measurement, if any, are not reclassified to the statement of profit and loss in subsequent period. Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, based on the market yield on government securities as at the reporting date, used to measure the net defined liability (asset). Net interest expense and other expenses related to defined benefit plans are recognized in the statement of profit and loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognized immediately in the statement of profit and loss. The Company recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Other long-term employee benefits

The Company's net obligation in respect of long-term employee benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods. They are therefore measured at the present value of expected future payments to be made in respect of services provided by the employees upto the end of the reporting period using the projected unit credit method. The discount rates used are based on the market yields on government securities as at the reporting date. Re-measurements are recognised in the statement of profit and loss in the period in which they arise.

Other long term includes payable in respect of long term incentive scheme recorded based on arithmetical model estimating the possible cash outflows based on assessment of parameters of the scheme and pro-rated to the completed service period and discounted at present value

j) Borrowing Costs

Borrowing costs are interest and other costs that the Company incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate applicable to the respective borrowing.

Borrowing costs, pertaining to development of long term projects, are transferred to Construction work-in-progress, as part of the cost of the projects upto the time all the activities necessary to prepare these projects for its intended use or sale are complete.

All other borrowing costs are recognised as an expense in the year which they are incurred.

k) Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and cheques on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the Standalone Statement of Cash Flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

l) Earnings per share

These Basic earnings per share is computed by dividing the profit after tax attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit after tax attributable to the equity shareholders as adjusted interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares. If potential equity shares converted into equity shares increases the earnings per share, then they are treated as anti-dilutive and anti-dilutive earning per share is computed.

III. Material Accounting Policies *(Continued)*

m) Provisions and contingent liabilities

A provision is recognised when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are discounted to their present value at a pre-tax rate that reflects current market assessments of the time value if money and the risks specific to the liability and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. The unwinding of the discount is recognised as finance cost

Contingent liabilities are disclosed in the notes. Contingent liabilities are disclosed for:

(1) possible obligations which will be confirmed only by future events not wholly within the control of the Company or

(2) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognised in the financial statements. However, the same are disclosed in the financial statements where an inflow of economic benefit is probable.

n) Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted with the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

o) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision.

d) Reconciliation of Effective Tax Rate

Particulars	March 31, 2026	March 31, 2025
Profit Before Tax	(432.42)	1,499.37
Company's domestic tax rate	25.17%	25.17%
Tax using the Company's domestic tax rate of 25.168% (Previous Year: 25.168%)	(108.83)	377.36
Tax effect of:		
Rate Difference	(103.10)	-
Changes in recognised deductible temporary differences	24.99	-
Expense / (Income) offered in tax books (net)	(2.41)	-
Adjustment for tax of prior years	31.28	-
Unabsorbed Losses	4.39	(0.32)
Other Adjustments*	2,004.88	-
Changes in non-deductable permanent differences	-	2.77
Mututal funds no Deferred tax liability was recognised	-	(185.09)
Current year profit/losses for which no Deferred tax asset/(liability) was recognised	-	(163.44)
Tax expense recognised	(1,851.20)	31.28

* Other Adjustments pertains to brought forward losses and unutilised 94B interest of prior years

e) The Company has recognised deferred tax asset to the extent that the same will be recoverable using the estimated future taxable income based on the approved business plans and budgets of the Group. The Group is expected to generate taxable income in upcoming years. The business losses can be carried forward for a period of 8 years as per the tax regulations and the Group expects to recover the losses.

4 Deferred Tax Assets and Tax Expense (continuing)

f) Tax Losses Carried forward

Particulars	Expiry	March 31, 2026 Gross Loss	March 31, 2025 Gross Loss
Losses of AY 2019-20	2027-28	585.12	-
Losses of AY 2020-21	2028-29	2,496.96	2,426.53
Losses of AY 2021-22	2029-30	370.56	370.56
Losses of AY 2023-24	2031-32	81.15	81.14
Losses of AY 2024-25	2032-33	28.13	28.14
Losses of AY 2025-26	2033-34	366.26	-
Unabsorbed depreciation	never expire	12.43	5.36

Note:

1.) A new section 115BAA was inserted in the income tax act, 1961, by the government of India on Sept 20, 2019 vide the taxation laws (amendment) ordinance 2019 which provides an option to companies for paying income tax at reduced rates in accordance with the provisions/conditions defined in the said section and accordingly, the company has decided to adopt the new tax rate and has recognised provision for income tax on the basis of the rate prescribed in the said new section and re-measured its deferred tax assets/liabilities accordingly for the year ended March 31, 2020 and subsequent year.

2.) On March 30 2019, MCA has issued amendment regarding the income tax uncertainty over income tax treatments. As per the company's assessment, there are no material income tax uncertainties over income tax treatments during the current financial year.

25 EARNINGS PER SHARE

a) Basic Earnings Per Share

The calculation of basic earnings per share is based on the Profit attributable to ordinary shareholders and weighted average number of ordinary shares outstanding.

Particulars	March 31, 2026	March 31, 2025
(i) Profit attributable to ordinary shareholders (basic)		
Profit for the year, attributable to ordinary shareholders of the Company	1,418.77	1,468.09
	1,418.77	1,468.09
(ii) Weighted average number of ordinary shares (basic)		
Weighted average number of equity shares at the beginning of the year	8,52,09,950	8,52,09,950
Add: Weighted average number of equity shares issued during the year	-	-
Add: Weighted average effect of share options exercised	-	-
Weighted average number of equity shares outstanding at the end of the year	8,52,09,950	8,52,09,950
Basic Earnings Per Share (INR) (Face value INR 10 each)(Previous year: INR 10 each)	1.67	1.72

b) Diluted Earnings Per Share

The calculation of diluted earnings per share is based on the profit attributable to ordinary shareholders and weighted average number of ordinary shares outstanding after adjustment for the effects of all dilutive potential ordinary shares.

Particulars	March 31, 2026	March 31, 2025
(i) Profit attributable to ordinary shareholders (diluted)		
Profit for the year, attributable to ordinary shareholders of the Company	1,418.77	1,468.09
	1,418.77	1,468.09
(ii) Weighted average number of ordinary shares (diluted)		
Weighted average number of equity shares outstanding (basic)	8,52,09,950	8,52,09,950
	8,52,09,950	8,52,09,950
Diluted Earnings Per Share (INR) (Face value INR 10 each) (Previous year: INR 10 each)	1.67	1.72

26 EMPLOYEE BENEFITS

a) Defined Contribution Plans:

Contribution to Defined Contribution Plans recognised as an expense for the year are as under:

Particulars	March 31, 2026	March 31, 2025
Employer's Contribution to Provident Fund (Gross before Allocation)	0.05	6.50

b) Defined Benefit Plans:

Contribution to Gratuity Fund (Non-Funded)

Gratuity is payable to all eligible employees on death or on separation/ termination in terms of the provisions of the Payment of Gratuity Act or as per the Company's policy whichever is beneficial to the employees.

The estimates of future salary increases, considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

(i) Changes in present value of defined benefit obligation

Particulars	March 31, 2026	March 31, 2025
Present value of obligation as at beginning of the year	14.10	13.37
Interest Cost	-	0.96
Current Service Cost	-	1.48
Benefits Paid	(14.10)	-
Effect of Liability Transfer in	-	-
Effect of Liability Transfer out	-	(2.90)
Actuarial (gains)/ losses on obligations - due to change in demographic assumptions	-	0.39
Actuarial (gains)/ losses on obligations - due to change in financial assumptions	-	0.54
Actuarial (gains) /losses on obligations - due to change in experience	-	0.26
Present value of obligation as at the end of the year	-	14.10

(ii) Amount recognised in the Balance Sheet

Particulars	March 31, 2026	March 31, 2025
Present value of obligation as at end of the year	-	14.10
Fair value of plan assets as at end of the year	-	-
Net obligation as at end of the year	-	14.10

(iii) Net gratuity cost for the year

Particulars	March 31, 2026	March 31, 2025
Recognised in the Statement of Profit and Loss		
Current Service Cost	-	1.48
Interest Cost	-	0.96
Total	-	2.44
Recognised in Other Comprehensive Income (OCI)		
Remeasurement due to:		
Actuarial (gains)/losses on obligations - due to change in demographic assumptions	-	0.39
Actuarial (gains)/losses on obligations - due to change in financial assumptions	-	0.54
Actuarial (gains)/losses on obligations - due to change in experience	-	0.26
Total	-	1.19
Less: Transferred to Construction Work-In-Progress	-	-
Net Gratuity cost in Total Comprehensive Income (TCI)	-	3.63

The cumulative amount of actuarial (gains) / losses on obligations recognised in other comprehensive income as at March 31, 2026 is INR (Previous Year: INR 1.19 Lakhs).

26 EMPLOYEE BENEFITS (continuing)

(iv) The Principal assumptions used in determining the present value of defined benefit obligation for the Company's plan are given below:

Particulars	March 31, 2026	March 31, 2025
Discount Rate	NA	6.54%
Salary escalation rate	NA	14.50%
Attrition Rate	NA	25.00%
Mortality	NA	Indian Assured Lives Mortality (2012-14) Urban

(v) Sensitivity analysis

A quantitative sensitivity analysis on Defined Benefit Obligation for significant assumptions as at March 31, 2026 is shown below:

Particulars	March 31, 2026		March 31, 2025	
	Increase	Decrease	Increase	Decrease
Discount Rate (1% movement)	-	-	(0.49)	0.53
Salary escalation rate (1% movement)	-	-	0.49	(0.46)
Attrition Rate (1% movement)	-	-	(0.17)	0.19

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior year.

(vi) The expected future cash flows in respect of gratuity as at March 31, 2026 were as follows:

Maturity Analysis of Projected Benefit Obligation: From the Employer

Projected Benefits Payable in Future Years from the Reporting Date	March 31, 2026	March 31, 2025
1st Following Year	-	2.80
2nd Following Year	-	2.40
3rd Following Year	-	2.05
4th Following Year	-	1.76
5th Following Year	-	1.51
Sum of Years 6 to 10	-	4.82
Sum of Yeas 11 and above	-	-

Compensated absences

Compensated absences for employee benefits of INR Nil (Previous Year: INR 0.57 lakhs) expected to be paid in exchange for the services recognised as an expense during the year.

27 FINANCIAL INSTRUMENTS – FAIR VALUES AND RISK MANAGEMENT

a) Accounting classification and fair values

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy. It does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

March 31, 2026	Carrying amount			Fair value			
	Fair value through profit or loss	Amortised Cost	Total	Level 1	Level 2	Level 3	Total
Financial Assets							
Current							
Investments	2,090.67	-	2,090.67	2,090.67	-	-	2,090.67

Cash and cash equivalents	-	17.01	17.01	-	-	-	-
Bank Balances other than above	-	181.40	181.40	-	-	-	-
Other Current Financial Assets	-	124.15	124.15	-	-	-	-
	12,811.65	504.86	13,316.51	12,811.65	-	-	12,811.65
Financial Liabilities							
Current							
Trade Payables	-	1,901.88	1,901.88	-	-	-	-
Other Current Financial Liabilities	-	2,125.63	2,125.63	-	-	-	-
	-	4,027.51	4,027.51	-	-	-	-

27 FINANCIAL INSTRUMENTS – FAIR VALUES AND RISK MANAGEMENT (Continuing)

b) Measurement of Fair Value

(i) The fair values of investments in mutual fund units is based on the net asset value ('NAV') as stated by the issuers of these mutual fund units in the published statements as at Balance Sheet date. NAV represents the price at which the issuer will issue further units of mutual fund and the price at which issuers will redeem such units from the investors.

(ii) The Company uses the Discounted Cash Flow valuation technique (in relation to financial assets measured at amortised cost and fair value through profit or loss) which involves determination of present value of expected receipt/ payment discounted using appropriate discounting rates. The fair value so determined for financial asset measured at fair value through profit and loss are classified as Level 2.

C) Financial risk management

The Company has exposure to the following risks arising from financial instruments:

(i) Risk Management Framework
(ii) Credit Risk
(iii) Liquidity Risk
(iv) Market Risk.

(i) Risk Management Framework

The Company's Board of Directors have overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors have established the Risk Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The committee reports regularly to the Board of Directors on its activities.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Audit Committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The Audit Committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and adhoc reviews of risk management controls and procedures, the results of which are reported to the Audit Committee.

(ii) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, investments in debt securities, loans given to related parties and project deposits.

The carrying amount of financial assets represents the maximum credit exposure.

Trade Receivables

Customer credit risk is managed by requiring customers to pay advances through progress billings before transfer of ownership, therefore substantially eliminating the Company's credit risk in this respect.

The Company's credit risk with regard to trade receivable has a high degree of risk diversification, due to the large number of projects of varying sizes and types with numerous different customer categories in a large number of geographical markets.

As per simplified approach, the Company makes provision of expected credit losses on trade receivables to mitigate the risk of default payments and makes appropriate provision at each reporting date wherever outstanding is for longer period and involves higher risk.

27 FINANCIAL INSTRUMENTS – FAIR VALUES AND RISK MANAGEMENT (Continuing)

The movement in the provision for expected credit loss for credit impairment of Trade Receivables due to lifetime expected credit loss during the year are as follows:

Particulars	March 31, 2026	March 31, 2025
Opening balance	38.86	30.57
Add: Impairment loss recognised	-	-
Add: Impairment loss recognised for Trade Receivables for which credit risk has increased significantly since initial recognition	27.56	8.29
Add: Impairment loss recognised for Trade Receivables that are credit impaired	-	-
Less: Impairment loss reversed	-	-
Closing balance	66.42	38.86

Investment in Mutual funds

Investments in mutual funds are generally made in debt based funds with approved credit ratings as per the Investment policy of the Company

Cash and Bank balances

Credit risk from cash and bank balances is managed by the Company's treasury department in accordance with the Company's policy.

(iii) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Management monitors rolling forecasts of the Company's liquidity position on the basis of expected cash flows. This monitoring includes financial ratios and takes into account the accessibility of cash and cash equivalents.

The Company has access to funds from capital and debt markets through loan from banks, commercial papers and other debt & equity instruments. The Company invests its surplus funds in bank fixed deposits and debt based mutual funds.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date:

March 31, 2026	Carrying Amount	Contractual cash flows				
		Total	Within 12 months	1-2 years	2-5 years	More than 5 years
Financial Liabilities						
Current						
Trade Payables	4,749.79	4,749.79	4,723.06	5.53	21.20	-
Other Current Financial Liabilities	2,223.33	2,223.33	2,223.33	-	-	-

March 31, 2025	Carrying Amount	Contractual cash flows				
		Total	Within 12 months	1-2 years	2-5 years	More than 5 years
Financial Liabilities						
Current						
Trade Payables	1,901.88	1,901.88	1,818.58	-	83.30	-
Other Current Financial Liabilities	2,125.62	2,125.62	2,125.62	-	-	-

The contractual cash flow of the current year is presented based on undiscounted cash flows of financial liabilities based on the due date on which the company be required to pay.

27 FINANCIAL INSTRUMENTS – FAIR VALUES AND RISK MANAGEMENT (Continuing)

(iv) Market Risk

Market risk is the risk that changes in market prices such as foreign exchange rate and interest rates will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

a) Currency Risk

Currency risk is not material, as the Company's primary business activities are within India and does not have significant exposure in foreign currency.

b) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The management is responsible for the monitoring of the Company's interest rate position. Various variables are considered by the management in structuring the Company's borrowings to achieve a reasonable, competitive cost of funding.

Exposure to interest rate risk

The interest rate profile of the Company's interest-bearing financial instruments as reported to the management is as follows:

Particulars	March 31, 2026	March 31, 2025
Financial liabilities		
Variable rate instruments	-	-
Fixed rate instruments	-	-
	-	-
Financial assets		
Variable rate instruments	-	-
Fixed rate instruments	7,556.15	181.40
	7,556.15	181.40

Fair value sensitivity analysis for fixed rate instruments

The Company does not account for any fixed rate financial assets and liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

28 CAPITAL MANAGEMENT

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business.

The Company monitors capital using a ratio of 'Net Debt to Equity'. For this purpose, net debt is defined as total borrowings (including interest accrued) less cash and bank balances and other current investments.

The Company's net debt to equity ratio is as follows:

Particulars	March 31, 2026	March 31, 2025
Net debt*	-	-
Total equity	12,077.07	10,658.30
Net debt to Equity ratio	-	-

*** There are no debt outstanding as at 31st march, 2026 and 31st march, 2025**

29 RELATED PARTY TRANSACTIONS

30 REVENUE FROM CONTRACTS WITH CUSTOMERS

(a) The amount of INR 832.84 Lakhs (Previous Year: INR 11507.37 Lakhs) recognised in contract liabilities at the beginning of the year has been recognised as revenue during the year ended March 31, 2026.

(b) Significant changes in contract asset and contract liabilities balances are as follows:

Particulars	March 31, 2026	March 31, 2025
Contract asset		
At the beginning of the reporting period	52.36	9.21
Change due to revenue recorded based on measure of progress during the year	7.02	43.15
Significant change due to business combination	-	-
At the end of the reporting period	59.38	52.36
Contract liability		
At the beginning of the reporting period	444.36	11,934.50
Change due to collection and revenue recorded based on measure of progress during the year	11,813.92	(12,008.70)
Significant financing component (Net of transfer to Statement of Profit and Loss)	-	(1,356.27)
Cumulative catch-up adjustments affecting contract liability	-	1,874.83
At the end of the reporting period	12,258.28	444.36

(C) Performance obligation

The Company is engaged primarily in the business of real estate construction, development and other related activities.

All the Contracts entered with the customers consists of a single performance obligation thereby the consideration allocated to the performance obligation is based on standalone selling prices.

Revenue is recognised upon transfer of control of residential and commercial units to customers for an amount that reflects the consideration which the Company expects to receive in exchange for those units. The trigger for revenue recognition is normally completion of the project or receipt of approvals on completion from relevant authorities or intimation to the customer of completion, post which the contract becomes non-cancellable by the parties.

The revenue is measured at the transaction price agreed under the contract. In certain cases, the Company has contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, the Company adjusts the transaction price for the effects of a significant financing component.

Any costs incurred that do not contribute to satisfying performance obligations are excluded from the Company's input methods of revenue recognition as the amounts are not reflective of our transferring control of the system to the customer. Significant judgment is required to evaluate assumptions related to the amount of net contract revenues, including the impact of any performance incentives, liquidated damages, and other forms of variable consideration.

If estimated incremental costs on any contract, are greater than the net contract revenues, the Company recognises the entire estimated loss in the period the loss becomes known.

The aggregate amount of the transaction price allocated to the performance obligations that are unsatisfied (or partially unsatisfied) as at March 31, 2026 is INR 12,257.50 Lakhs (Previous Year: INR 444.36 lakhs), This will be recognised as revenue over a period of 1-3 years .

(d) Reconciliation of revenue recognised in the Statement of Profit and Loss

The following table discloses the reconciliation of amount of revenue recognised as at March 31, 2026:

Particulars	March 31, 2026	March 31, 2025
Contract price of the revenue recognised	832.84	12,008.70
Add: Significant financing component	-	1,356.27
Revenue from Sale of Real Estate Developments/Land and Sale of Services recognised in the Statement of Profit and Loss	832.84	13,364.97

31 TRANSACTION WITH STRUCK OFF COMPANY

There are no transaction with any Struck off Company for the FY 2025-26 and FY 2024-25.

32 RATIO ANALYSIS

Sr. No.	Ratio	March 31, 2026	March 31, 2025	Change %	Reason for more than 25% change
1	Current Ratio	1.52	3.25	-53.35%	The current ratio declined due to higher investment in inventory and fixed deposits and reduced mutual fund investments. Additionally, increased trade payables and customer advances raised current liabilities, further lowering the ratio.
2	Debt Service Coverage Ratio	0.00%	0.00%	0.00%	NA
3	Return on Equity Ratio	12.48%	14.79%	-15.62%	NA
4	Inventory Turnover Ratio	0.08	1.74	-95.56%	The inventory turnover ratio declined due to an increase in closing inventory levels coupled with a reduction in COGS compared to the previous year. Higher inventory holding with lower consumption resulted in slower inventory movement.
5	Trade Receivables Turnover Ratio	4.92	77.93	-93.68%	The trade receivables turnover ratio declined due to a decrease in revenue from operations, resulting in lower receivable turnover during the period.
6	Trade Payables Turnover Ratio	0.21	7.04	-97.05%	The trade payables turnover ratio declined due to an increase in trade payables along with a decrease in COGS, leading to slower turnover of payables during the period.
7	Net Capital Turnover Ratio	0.09	1.37	-93.59%	The net capital turnover ratio declined mainly due to a decrease in revenue from operations during the period.
8	Net Profit Ratio	87.48%	9.91%	783.10%	The net profit ratio declined mainly due to a decrease in total income, primarily driven by lower revenue from operations during the period.
9	Return on Capital Employed	-4.03%	15.34%	-126.24%	The ROCE declined due to a decrease in EBIT during the period, along with a reduction in average capital employed, resulting in lower overall returns on capital
10	Return on Investment	3.68%	7.44%	-50.51%	The return on investment declined due to a higher allocation towards fixed deposit investments, which yield relatively lower returns, along with a decrease in income from mutual fund investments.

32 RATIO ANALYSIS (Continued)

(a) Formulae for computation of ratios are as follows: (Continued)

Sr. No.	Particulars	
1	Current Ratio	Current Assets / Current Liabilities
2	Debt Service Coverage Ratio	Earnings available for debt service {Profit/(loss) before tax + Finance cost + Finance cost included in Cost of Sales + Depreciation and amortisation expense} / Finance Cost (exdudes interest accounted on customer advance as per EIR Principal) + Principal Payment due to Non-Current Borrowing repayable within one year
3	Return on Equity Ratio	Profit/(loss) for the year / Average Shareholder's Equity {Total Equity}
4	Inventory Turnover Ratio	COGS (Cost of Material Consumed + Changes in inventories of finished goods and construction work-in-progress) / Average Inventories
5	Trade Receivables Turnover Ratio	Revenue from Operations / Average Trade Receivables
6	Trade Payables Turnover Ratio	COGS (Cost of Material Consumed + Changes in inventories of finished goods and construction work-in-progress) / Average Trade Payables
7	Net Capital Turnover Ratio	Revenue from Operations / Average Working Capital {Current Assets - Current Liabilities}
8	Net profit ratio	Profit/(loss) for the year / Total Income
9	Return on Capital Employed	Earnings before Interest and Tax {Profit / (Loss) before tax + Finance cost + Finance cost included in Cost of Sales+Depreciation} / Average Capital Employed {Tangible Net Worth + Total Debt + Deferred Tax Liability (net of Deferred Tax Assets)}
10	Return on Investment	Income generated from treasury invested funds / Average invested funds in treasury investments

33 CONTINGENT LIABILITIES AND COMMITMENTS

(a) Contingent Liabilities

Matters	March 31, 2026	March 31, 2025
I) Claims against Company not Acknowledged as debts:		
i) Claims under Income Tax Act, Appeal preferred to The Deputy Commissioner/ Commissioner of Income Tax	498.80	-
II) Guarantees:		
i) Guarantees given by Bank, counter guaranteed by the Company	-	-
ii) Guarantees given by the Company	-	-

(b) Commitments

(i) Particulars	March 31, 2026	March 31, 2025
Capital Commitment (Net of advance)	-	-

34 Payment to Auditors (net of taxes)

Particulars	March 31, 2026	March 31, 2025
Audit Fees	4.39	5.66
Fees for QIP related work	-	-
Certification and other services	0.90	1.11
Reimbursement of Expenses	0.54	1.77
Total	5.83	8.54

35 FOREIGN EXCHANGE DIFFERENCE

The amount of exchange difference included in the Statement of Profit and Loss, is INR -0.12 Lakhs (Net Loss) (Previous Year: INR 0 Lakhs (Net Loss)).

36 CORPORATE SOCIAL RESPONSIBILITY

(b) Amount spent during the year on :

Particulars	Amount Spent in Cash	Amount yet to be paid in Cash	Total Amount
Year ended March 31, 2026			
(i) Construction / Acquisition of any Asset	-	-	-
(ii) On purposes other than (i) above	5.00	-	5.00
Year ended March 31, 2025			
(i) Construction / Acquisition of any Asset	-	-	-
(ii) On purposes other than (i) above	11.00	-	11.00

Details of ongoing CSR projects under Section 135(6) of the Act

Balance as at April 01, 2025		Amount required to be spent during the year (including unspent for previous year)	Amount spent during the year		Balance as at March 31, 2026	
With the Company	In Seprate CSR Unspent Account		From the Company's Bank Account	From Separate CSR Unspent Account	With the Company	In Separate CSR Unspent Account
-	-	5.00	5.00	-	-	-

37 SEGMENT REPORTING

A. Basis of Segmentation

Factors used to identify the entity's reportable segments, including the basis of organisation

For management purposes, the Company has only one reportable segment namely, Development of real estate property. The Managing Director of the Company acts as the Chief Operating Decision Maker ("CODM"). The CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators viz. Profit after tax.

B. Geographical Information

The geographic information analyses the Company's revenue and Non-Current Assets other than financial instruments, deferred tax assets, post-employment benefit assets by the Company's country of domicile and other countries. As the Company is engaged in Development of Real Estate property in India, it has only one reportable geographical segment.

C. Information about major customers

None of the customers for the year ended march 31,2026 & march 31, 2025 constituted more then 10% of total revenue of the company.

38 ADDITIONAL DISCLOSURE TO MICRO, SMALL AND MEDIUM ENTERPRISES :
